Operation

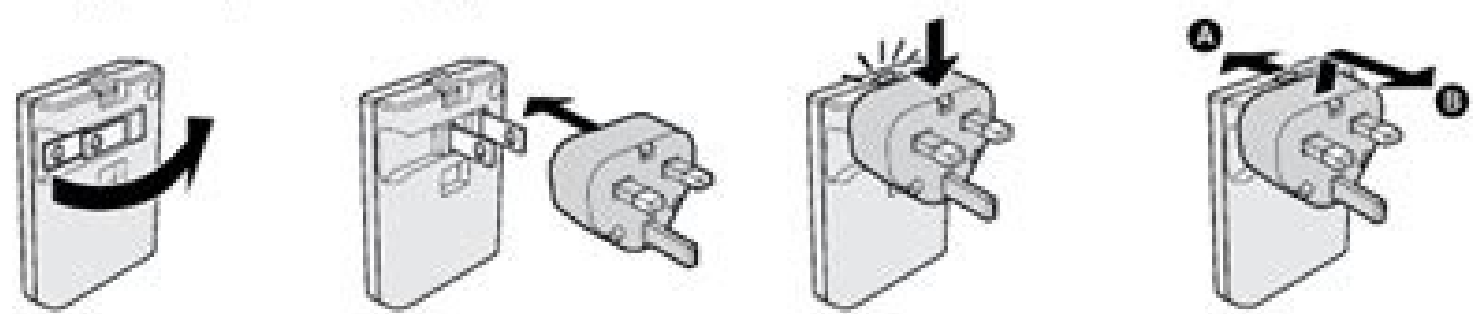

Connecting to AC power

Before using your speaker, connect it to power and charge the battery. Allow 3 hours for a full charge. You can use the speaker while it is charging.

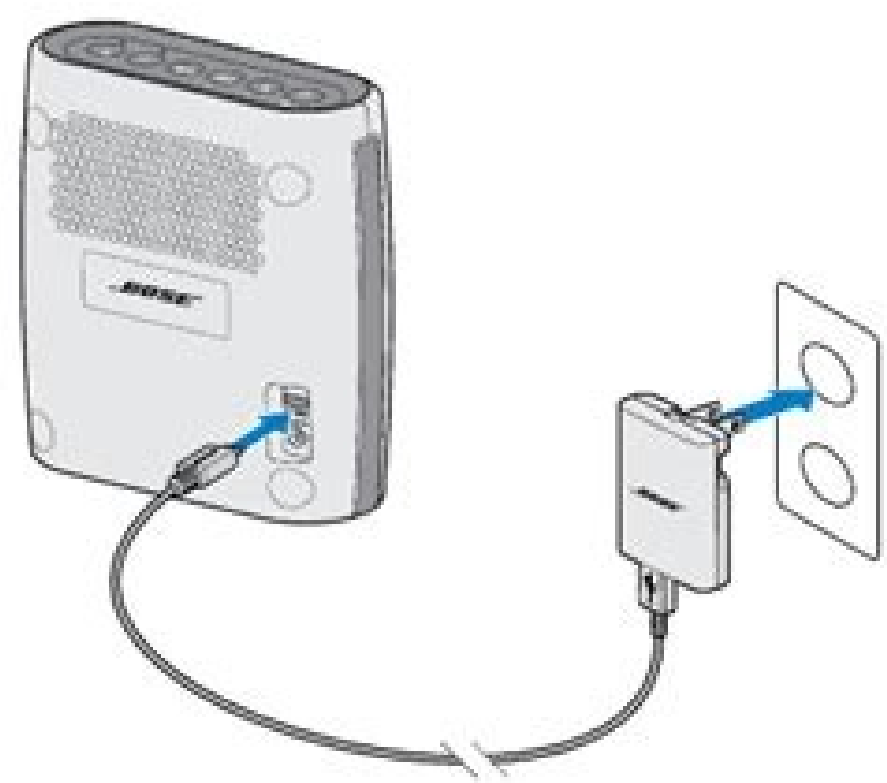

1. Plug the small end of the power supply cord into the **POWER** connector on the back of the speaker.
2. Plug the large end of the power supply cord into the connector on the AC power supply.

3. Extend the power supply prongs. If needed, snap on the adapter for your region. To remove an adapter, press back on the release tab (A) and lift the adapter up and off (B).

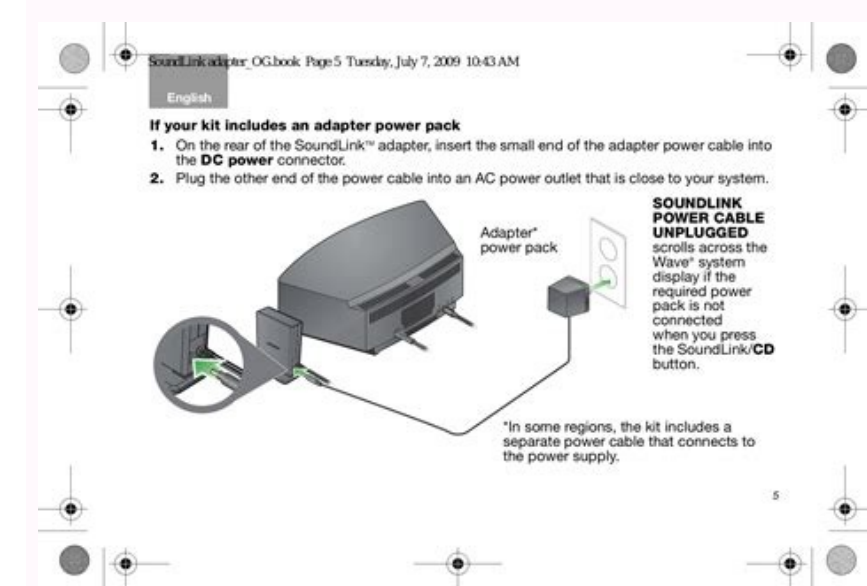

4. Plug the power supply into an AC (mains) power outlet. The battery indicator glows amber.

Note: You can also charge the speaker by connecting the power supply cord to a powered USB port on your computer. For fastest charging time, use the USB power supply cord provided by Bose.

9 - English

Who is bose ogulu. Who is bose ogulu to fela.

Customer service For additional help, contact Bose Customer Service. • In the event of a battery leaking, do not allow the liquid to come in contact with the skin or eyes. If contact has been made, wash the affected area with copious amounts of water and seek medical advice. • Do not allow liquids to spill into any openings. Page 24 ©2015 Bose Corporation, Framingham, MA 01701-9168 USA AM741811 Rev. 03... The Bluetooth indicator glows solid white, and you hear "Connected to". Using the System System control buttons for speakerphone and playback The button pad controls the speaker's playback, volume and speakerphone controls. Introduction Placement guidelines • Place your mobile device within range of the speaker (33 feet (10 m)). Switching between two connected mobile devices Pause music from your first mobile device. • Place the speaker's back near but not directly against a wall. • French • Italian • Polish • German • Portuguese Note: To download another language, go to: updates.Bose.com/SoundLinkMiniII If your language is not available, see "Disabling voice prompts". It connects to your smartphone, tablet or other Bluetooth enabled device, so you can listen to your music, videos or games anytime, anywhere. Page 3 9. Only use attachments/accessories specified by the manufacturer. Page 6 Contents Operating on Battery Power Checking the battery18 Battery protection mode Refer to the quick start guide in the carton. • Consult the dealer or an experienced radio/TV technician for help. • Do not leave battery on prolonged charge when not in use. Care and Maintenance Troubleshooting Problem What to do No power • Secure the power cord at both ends. • Increase the separation between the equipment and receiver. Limited warranty Your system is covered by a limited warranty. • Batteries give their best performance when they are operated at normal room temperature 68°F (20°C) ± 9°F (5°C). Plug the other end of the power cord into the power supply. The rate of battery discharge varies with the volume setting. To use the button pad, pair your mobile device to the speaker (see page 13). Introduction About your SoundLink Mini Bluetooth speaker II The SoundLink Mini Bluetooth speaker II delivers full, natural sound from an ultra-compact speaker that fits in the palm of your hand. 8 - English... Moving your mobile device farther away affects sound quality, and it may disconnect from the speaker. Refer to the contact sheet in the carton. Note: If part of the system is damaged, do not use it. Setting up the System Placing the speaker on top of the cradle. Operating on Battery Power Checking the battery A fully charged battery provides approximately seven hours of use at maximum volume. Plug the power cord into the USB connector on the charging cradle or speaker. Use the AC power adapter for your region. English • 3. Bluetooth indicator • Blinking blue: Ready to pair. Contact Bose Customer Service for all battery related issues. Bass response decreases as the speaker is moved away from a wall. You can only play music from one mobile device at a time. • Connect the equipment into an outlet on a different circuit from that which the receiver is connected. The AUX connector accepts a 3.5 mm stereo cable plug (not provided). • Do not use any charger other than that specifically provided for use with the equipment. Plug the power supply into a live AC (mains) outlet. (AC mains) • Plug the power supply into a live AC (mains) outlet. WARNING: This product contains magnetic material. Contact your physician if you have a question whether this might affect the operation of your implantable medical device. Setting up the System Connecting to power Before using the speaker, connect it to AC (mains) power and charge the battery. • Where the main plug or appliance coupler is used as the disconnect device, such as a disconnect device, shall remain readily operable. • The battery provided with your system is not user serviceable. Contact Bose Customer Service for all battery related issues. Turn off speakerphone and switch to a Press and hold mobile device (in-call) Receive a call Press Reject a call Press and hold End a call Press Press and hold simultaneously. When you hear your language, press and hold the Multifunction button (You hear, "Ready to pair". Date of manufacture The four bolded digits in the serial number indicate the date of manufacture. The first digit is the year of manufacture; "5" is 2005 or 2015. Digits 2-4 are the month and date; "001" is January 1 and "365" is December 31. The Bluetooth wordmark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Bose Corporation is under license. 10. Unplug this apparatus during lightning storms or when unused for long periods of time. Contact your authorized Bose dealer or Bose customer service. This Class B digital apparatus complies with Canadian ICES-003. Note: Use the charging cradle that shipped with your speaker. Changes or modifications not expressly approved by Bose Corporation could void the user's authority to operate this equipment. CANICES-3(B)/NMB-3(B) This device complies with FCC and Industry Canada radiation exposure limits for general population. 18 Replacing the battery19 Auto off setting19 Disabling auto off19 Getting System Information System status indicators20 Care and Maintenance Troubleshooting Refer to the quick start guide in the carton. • A fire extends beyond the limits of storage, it may be necessary to charge and discharge the battery several times to obtain maximum performance. • Care and Maintenance Problem What to do • Press to hear the connected mobile device(s) and ensure you are Audio plays from the wrong mobile using the correct device. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna. Connecting a Device to the AUX Connector Using a cable to connect an audio device You can connect the audio output of a smartphone, tablet, computer or other type of audio device to the AUX connector. Align the pin connectors. Bluetooth Managing multiple connections When powered on, the speaker connects to the two most recently used mobile devices in its pairing list. 4 - English... Tip: The Bluetooth feature is usually found in Settings. A gear icon () often represents Settings on the Home screen. Getting System Information System status indicators The system status indicators are above the corresponding buttons and show system information. Details of the limited warranty are provided on the product registration card in the carton. • Blinking white: Connecting. CAUTION: Do not make unauthorized alterations to the product, doings so may compromise safety, regulatory compliance, system performance, and may void the warranty. Battery indicator Indicates the battery power level (see page 18). Page 16 Using the System Speakerphone controls Make a call Press and hold to activate voice dial (Siri). Contents Introduction About your SoundLink Mini Bluetooth speaker II7 • System Features7 Unpacking the system8 Placement guidelines9 Setting up the System Placing the speaker on the charging cradle10 Connecting to power11 Powering on the speaker May ship with multiple AC power adapters. Decreases Increases volume... Page 1 Bose SoundLink Mini Bluetooth speaker II • This device complies with Part 15 of the FCC Rules and Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. NOTES: • The product markings are relocated on the bottom and inside of the product. ©2015 Bose Corporation. No part of this work may be reproduced, modified, distributed, or otherwise used without prior written permission. 11. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power supply cord is damaged, liquid has been spilled or objects have fallen into the apparatus; the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped. To check the battery charge level, press and hold while observing the battery indicator. This speaker is not compatible with the SoundLink Mini Bluetooth speaker's charging cradle, device (when two) • Pause or quit the music source on your mobile device playing devices are music. Selecting a language Press to scroll through the languages. It must not be located or be operating in conjunction with another antenna or transmitters. You may need to replace the battery if you must recharge the battery more often. WARNING: Contains small parts which may be a choking hazard. Not suitable for children under age 3. • Do not subject battery to mechanical shock. Serial and model numbers can be found on the bottom of the system Serial number: Model number: 416912 Purchase date: We suggest you keep your receipt with this owner's guide. This allows you to easily switch between mobile devices. Select Bose Mini II SoundLink from your device list. Note: Certain mobile devices may not support these functions. • Connect the power cord to a different USB port. Note: The battery provided with your system is not user serviceable.
